

## International Brain Research

### Global Engagement Initiative update

November 2021

#### 2021 events (selected in 2020)

##### Africa (ARC)

- SONA “Drug Addiction: Comparing National responses in African Countries”
- Alexandria University “Free yourself, live without addiction”
- Bingham University, Faculty of Basic Medical Sciences, Department of Physiology “BUILDING A BETTER MENTAL HEALTH: AN INSIGHT INTO THE CARE OF THE BRAIN”
- Ghana Neuroscience Society “Neuroscience Brain Bee”
- University of Yaounde I/ Neuroscience Club of the Faculty of Science “Awareness and understanding of neurologic diseases among youths, health practitioners and future scientific leaders in Cameroon”

##### **Latin America (LARC)**

- FALAN “FALAN-2021 GLOBAL ENGAGEMENT INITIATIVE” *Cancelled event*
- Universidad Centroamericana Jose Simeon Cañas “Lifestyle intervention strategies to promote brain health and quality of life”
- CIACER “The Brain Podcast”
- Argentine Society for Research in Neuroscience (SAN) “Neuroscience Out the Lab ?- SAN Meeting Activities: “Every two months activities of science communication”
- Department of Neurocience. Faculty of Medicine, University of Chile “Neuroscience and education: be who you want to be”

##### **Europe (PERC)**

- NeuroCognitive Research Center, SWPS “University Brain Tour”
- Ukrainian Society for Neuroscience, Bogomoletz Institute of Physiology “Neuroscience Textbook for Ukrainian schools”
- Hellenic Society for Neuroscience, Dept of Biology, University of Crete, Voutes University Campus “Neuroscience educational videos “Ask the neuroscientist”
- SINAPSA “SiNAPSA Action Potential”
- Yerevan State Medical University “Neuroscience Initiative in Armenia”

##### **Asian Pacific (APRC)**

- National University of Singapore “Neuroscience ambassadors to engage the next-generation of neuroscientists and under-served elderly in Singapore”
- PANJAB UNIVERSITY “IBRO Global Engagement Public Lectures & Public Fairs on Neuropsychiatric Disorders”
- Mongolian National University of Medical Sciences “Lobby Meeting for Brain Science with Policymakers”

## International Brain Research

- Kasturba Medical College, Mangalore, Manipal Academy of Higher Education, Manipal *"Smart brain of India vs. tricky drugs"* **Cancelled event**

### Middle East Northern Africa (MENA)

- SIYAJ, Sultan Qaboos University *"Brain is the Maestro of life"*
- 

## 2022 awarded events (selected in 2021)

### Africa (ARC)

- Brain and Mind Institute, Aga Khan University, Nairobi, Kenya *"Public Awareness Campaign on Neurodevelopmental Disorders (NDDs) in Kenya"*
- Cameroon Association for Neuroscience *"The effect of the stress in the brain : A particular interest on headache"*
- COPPERBELT UNIVERSITY CORTEX CLUB *"Promoting early exposure of pupils and students to fundamental subjects of brain science"*

### Latin America (LARC)

- Sinapses (University of Brasilia) *"Sinapses"*
- Research Group "Desarrollo y Evolución Neural" (Instituto de Investigaciones Biológicas Clemente Estable, Montevideo, Uruguay) *"Science Diplomacy applied to Neuroscience for the Global South"*
- COLEGIO COLOMBIANO DE NEUROCIENCIAS: COLNE *"Neuro inspiration –neuro connection: methodological gatherings and close encounters"*

### Europe (PERC)

- Neuroscience Institute Cavalieri Ottolenghi Foundation "NICO (Neuroscience Institute Cavalieri Ottolenghi) *"virtual platform for public engagement and outreach"*
- CNC - Centre for Neuroscience and Cell Biology *"Brain Gain - Discovering Neuroscience in Portugal"*
- Morten Group, NDWRH, University of Oxford *"Fatigue demystified"-platform for bi-directional communication between scientists and the general public"*

### Asian Pacific (APRC)

- University of Malaya *"Act now if you love your brain"*
- Jindal Institute of Behavioural Sciences, O.P. Jindal Global University *"Neurodevelopmental disorders and Society: A Neuroscience Engagement and Outreach Event"*
- Walter E Dandy Neuro Club Of Nepal "Syahar" Project"
