

IBRO Country Classifications by Region

IBRO is represented regionally by five Regional Committees: the Africa Regional Committee, the Asia-Pacific Regional Committee, the Latin America Regional Committee, the Pan-Europe Regional Committee, and the US/Canada Regional Committee. Accordingly, each country falls within one of these five regions.

Regional eligibility for IBRO funding programs is determined by current country of residence, which directly corresponds to an IBRO region. The following tables confirm the regional country distributions for reference.
